Director’s Corner

Dear Participants, Caregivers, and Friends;

“Autumn is the eternal corrective. It is ripeness and color and a time of maturity; but it is also breadth, and depth, and distance. What man can stand with autumn on a hilltop and fail to see the span of his world and the meaning of the rolling hills that reach to the far horizon?”

— Hal Borland

It’s October. Pumpkins and Spice are everywhere! Our staff is working to get our program decorated for the season and our volunteers and consultants are working on autumn related activities. I am personally looking forward to the crisp chill in the air and the shimmering dappled sunlight through the crimson and golden yellow trees.

Enjoy this wonderful season. As ever we are here and enjoying every moment!

My best to everyone,

Karen

“There is no season when such pleasant and sunny spots may be lighted on, and produce so pleasant an effect on the feelings, as now in October.”

— Nathaniel Hawthorne
